

SIC 2026

Submission Guide

What to Expect

The SIC 2026 registration process is completed in sequence, one step at a time. You must first create an organization profile before creating a project.

- At least one organization profile is required before submitting a project.
- Users can create multiple organizations.
- Each organization can have multiple projects.
- Projects are always linked to a selected organization.
- Projects can be saved as draft and edited later to continue the submission process.

ORGANIZATIONS

Create Organization Profile

- Organization name
- Trade License / Certificate Number
- Logo (PNG or JPG; Max 2 MB)
- Website or Social Media Account (URL)
- Contact Number
- Bank Name
- IBAN Number (Ex: AEXXXXXXXXXXXXXXXXXXXXXX)
- Trade License / Certificate (PDF only; max size 5 MB)
- Emirate of Registration
